Garba Night

Summary

Navratri is a festival of Goddess Durga, it's a festival of colors, it's a festival of joy and happiness. Garba is an integral part of Navratri. It is not only a ritual but is an ancient form of Yoga and exercise. We always encourage our students for their active participation in such cultural events.

We have organized Garba night on the occasion of Navratri Utsav on 28-09-2017. The event was planned and coordinated by the final year students and students' council members of cultural committee. Hon'ble Principal sir did the Durga poojan and the inauguration of the program. Garba dance competition was organized and students were awarded with the trophy. The program was conducted smoothly with the active participation of students, faculty members and supporting staff.
