

Certificate course on  
**‘VARIUOS EXTRACTION METHODS & TECHNIQUES’**  
Department – Pharmacognosy (2017-18)  
01/02/2018 to 24/02/2018  
**SUMMARY**

**Rajarshi Shahu College of Pharmacy, Buldana** has conducted the certificate course on **‘VARIUOS EXTRACTION METHODS & TECHNIQUES’** for the students of B. Pharma Third year from 01/02/2018 to 24/02/2018. Dr. Shailesh Kewatkar was the co-ordinator of the course. Dr. S. M. Kewatkar had given the introduction of course at the first day of course. At the beginning of the course Hon'ble Principal of RSCP, Dr. S. P. Jain sir had a talk on importance of extraction techniques. In today's era peoples and researchers move towards the used of herbals as compare to the synthetic. Through this course students know the detailed information of different extraction methods their application and techniques of extraction.

During the academic year of 2017- 2018 B. Pharm Third year students participated in this course. From this course students know the concept of extraction and their techniques. At the end of the certificate course we planned assessment test for all the participants and distribute the participation certificates to all participants. At the end of activity, we received extremely positive feedback and great reviews from all participants.
