

Certificate course on
“HERBALISM”
Department – Pharmacognosy (2017-18)
18/01/2018 to 30/01/2018
SUMMARY

Rajarshi Shahu College of Pharmacy, Buldana has conducted the certificate course on “HERBALISM” for the students of B. Pharma first to final year from 18/01/2018 to 30/01/2018. Dr. Shailesh Kewatkar was co-ordinator of the course. Dr. S. M. Kewatkar had given the introduction of course at the first day of course. At the beginning of the course Hon’ble Principal of RSCP, Dr. S. P. Jain sir had a talk on importance of medicinal plants. In today’s era peoples and researchers move towards the used of herbals as compare to the synthetic. Through this course students know the detailed information of different medicinal plants like genus, species and biological source chemical and pharmacological use of plants.

During the academic year of 2017- 2018 B. Pharm first to final year students participated in this course. From this course students know the importance and used of herbs. At the end of the certificate course we planned assessment test for all the participants and distribute the participation certificates to all participants. At the end of activity, we received extremely positive feedback and great reviews from all participants.
