Summary

Annual Sports 2022 was organised at Rajarshi Shahu College of Pharmacy in Buldhana from January 27th to January 29th. At ten in the morning, the official ceremony got underway. Respected Principal Dr. S. P. Jain coordinator Dr. V. S. Borkar played cricket to kick off the event.

Numerous indoor and outdoor sports competitions, including table tennis, volleyball, chess (singles), carom (singles), shot put, discus, javelin throw, and tug of war, were successfully held. This event attracted close to 440 students, including D. Pharm., B. Pharm., and M. Pharm. The success of this event was a result of the volunteer efforts of all UG students. Each faculty actively participated in this event.

The sport winners received certificates and enticing prizes at the conclusion. The principal, who attended the event as the chief guest, gave the prizes to the winners along with the sport coordinator and other HODs. The Principal thanked everyone for coming to the yearly sports ceremony.. The 2022 sports meet was appreciated by all participants, including students, teachers, parents, and invited guests.

On a virtual platform, Rajarshi Shahu College of Pharmacy in Buldana has conducted the Online Certification Course 'Pharmacovigilance and Drug Safety Assessment.' This informative session was scheduled for pharmacy students (Diploma, UG, PG, and Ph.D.) from October 10th to November 10th, 2021. The meeting was held using the Zoom Meeting App. The orientation programme for the online certification course was held on October 10th, 2021. Dr. Manoj Swaminathan, founder/director of the vigiserve foundation, has been invited as the Main Speaker for this session. Dr. Manoj Swaminathan explored all the facts regarding the history, introduction, and career options in pharmacovigilance in his session.

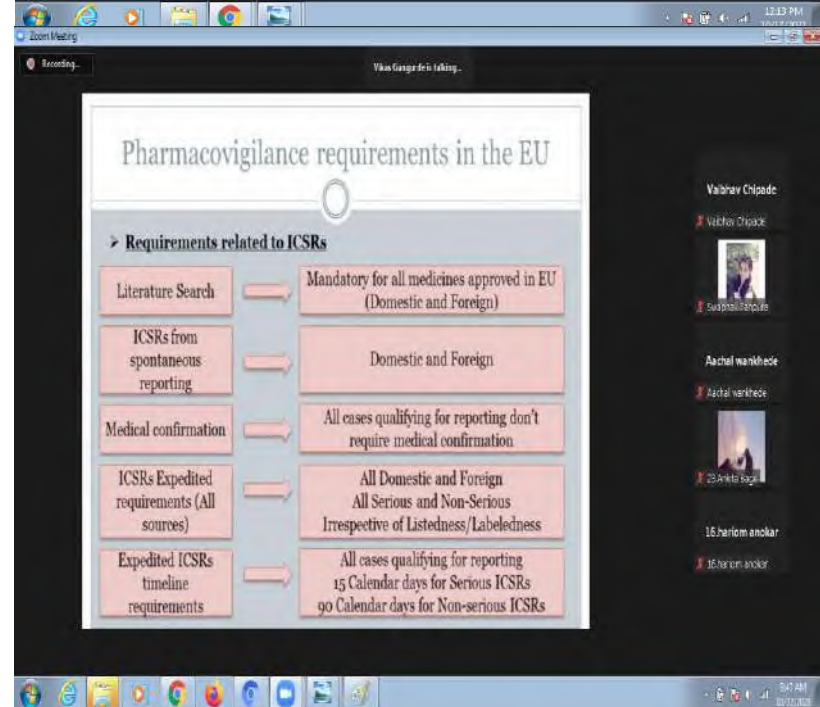

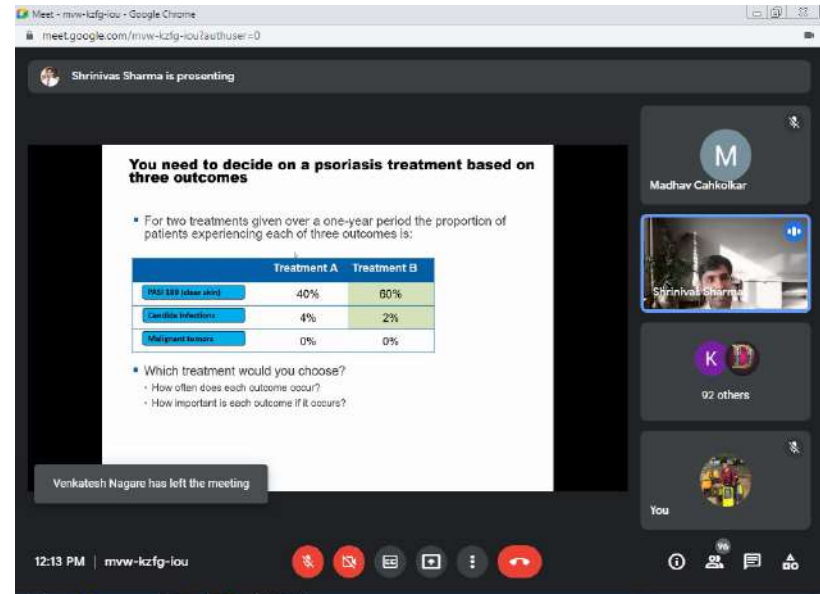

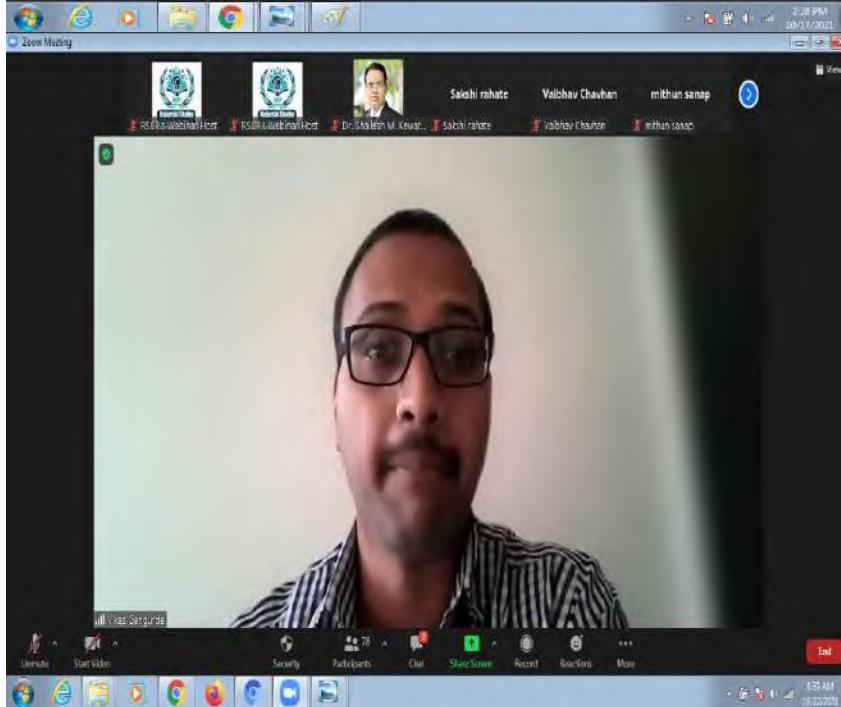

We invited seven lecturers to talk throughout the online course. Mr. Vivek Chakole, Lead TCS, Nagpur, joined us as a guest speaker on October 14th, 2021. He explained data input, medical coding, narrative writing, causality evaluation, and labelling of the adverse event. On October 17th, 2021, we invited Dr. Shrinivas Sharma, who works at the PMS.RM. Specialist Philips Healthcare Innovation Center in Pune, as a guest speaker. He addressed aggregate report writing, signal and risk management of product information, and review of regulatory recommendations.

“Pharma Entrepreneurship in domestic and International Market”

Mr. Deepak Rathi

Date: 06/10/2018

Program Summary

TPEDC (Training Placement and Entrepreneurship Development Cell) of Rajarshi Shahu College of Pharmacy, Buldana had organized a guest lecture on Pharma Entrepreneurship in Domestic and International Market for the students of B. Pharmacy Final year, Diploma Second year in Seminar Hall, on 06 October 2018. The Speaker for the lecture was Mr. Deepak Rathi, who is an owner of Care and Cure Laboratories, Director of Orgherb Pvt. Ltd. Pune, MD at Sunvero foods Pvt. Ltd. Mumbai. Having specialized in Domestic & International Pharma Market over the past 13 years. Dr. S. P. Jain, Principal, RSCP Buldana felicitated Mr. Deepak Rathi for the Guest Lecture. Mr. Madhav Chakolkar Assistant Professor, Dept Pharmacognosy introduced the speaker and Mr. Shadan Ahmed has introduced the topic of the lecture to the students. In his lecture Mr. Deepak Rathi discussed the current scenario about pharma market in at domestic as well as international level. He has also introduced the growth of Indian pharmaceutical industry, i.e. market size of \$27.57 billion (2016) is expected to reach a mark of \$55 billion by 2020. In the next three years, India is projected to be among the top three pharmaceutical markets in terms of growth rate and the sixth largest market globally in absolute size. He has also introduced and explained in details about generic and branded medicines. He has spread a light on concept of drop-shipping in India, as it is still gaining momentum and penetrating deeper into markets. It is popular with larger e-retailers who want to minimise investments in stocking up inventories. Apart from bigger players, several retailers are also using this model extensively. A drop-ship based business also offers greater flexibility and allows the seller to test new markets without having to worry about unsold inventories. He has concluded his lecture with the comment that “Currently the industry is growing at a rate of 9-10% year-on-year, which is a healthy growth because this is largely a volume led business. This is a fundamental advantage of an emerging market economy like India. At the end of the session Mr. Deepak Bhusari has expressed Vote of thanks to Resp. Principal Sir, Chief Guest and all participants, teaching staff and supporting staff of RSCP, Buldana.

On a virtual platform, Rajarshi Shahu College of Pharmacy in Buldana has conducted the Online Certification Course 'Pharmacovigilance and Drug Safety Assessment.' This informative session was scheduled for pharmacy students (Diploma, UG, PG, and Ph.D.) from October 10th to November 10th, 2021. The meeting was held using the Zoom Meeting App. The orientation programme for the online certification course was held on October 10th, 2021. Dr. Manoj Swaminathan, founder/director of the vigiserve foundation, has been invited as the Main Speaker for this session. Dr. Manoj Swaminathan explored all the facts regarding the history, introduction, and career options in pharmacovigilance in his session.

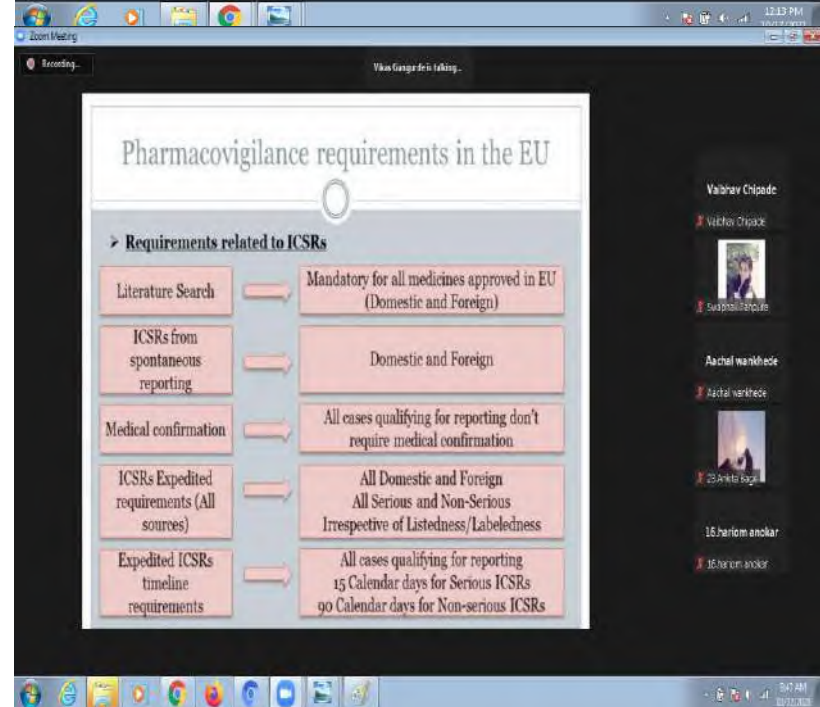

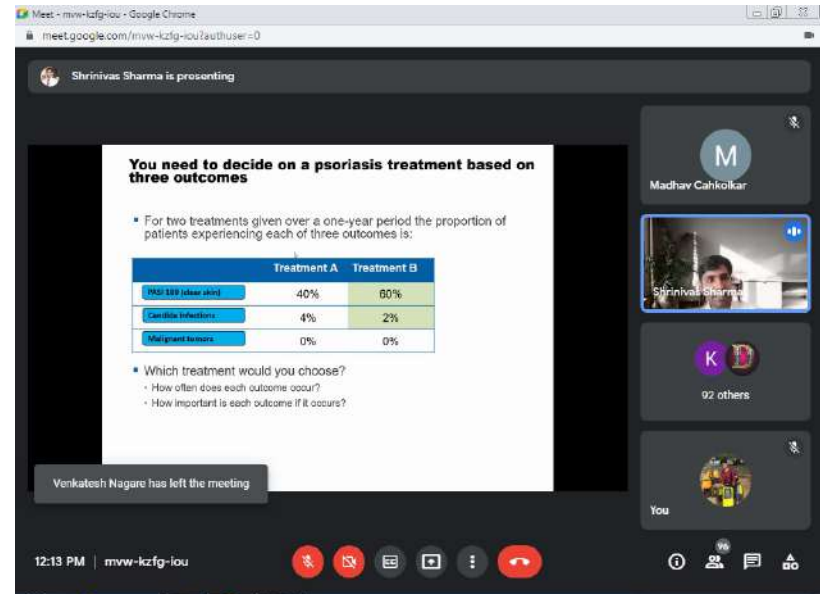

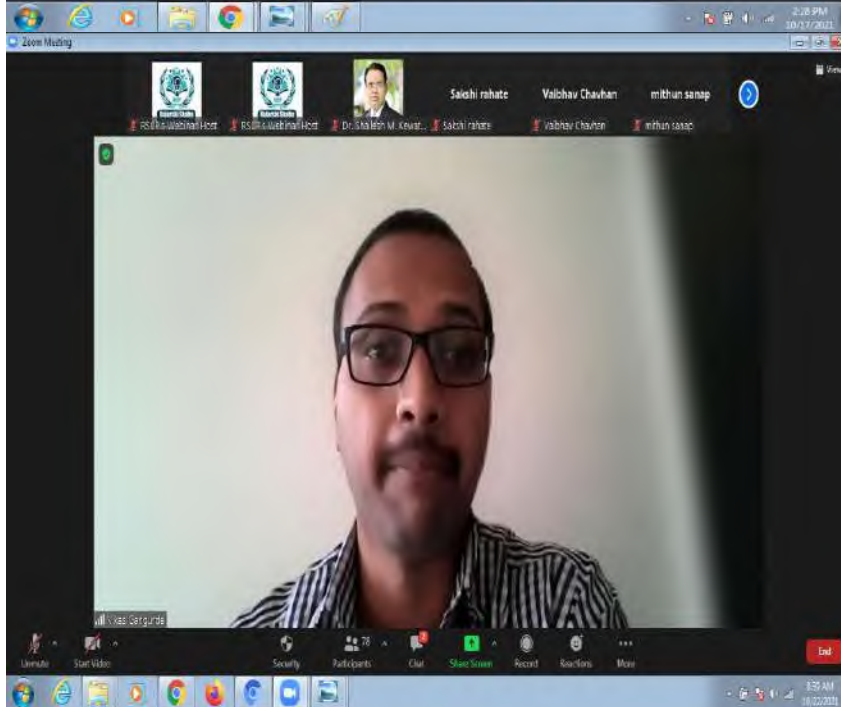

We invited seven lecturers to talk throughout the online course. Mr. Vivek Chakole, Lead TCS, Nagpur, joined us as a guest speaker on October 14th, 2021. He explained data input, medical coding, narrative writing, causality evaluation, and labelling of the adverse event. On October 17th, 2021, we invited Dr. Shrinivas Sharma, who works at the PMS.RM. Specialist Philips Healthcare Innovation Center in Pune, as a guest speaker. He addressed aggregate report writing, signal and risk management of product information, and review of regulatory recommendations.

Mr. Vikas Gangurde, Senior Consultant, Business Consulting Infosys, Pune, was invited as a guest speaker on October 23rd, 2021. He provided thorough details about Pharmacovigilance, Quality Assurance, Internal audits and Regulatory inspections. Mr. Vikas Gangurde provided thorough information regarding Pharmacovigilance requirements in Europe, the United States, Canada, Australia, and India on October 22nd, 2021. We asked a guest speaker, Pankaj Wadibhasme, a Senior Medical Writer from Mumbai, to talk on October 30th, 2021. He provided thorough information and guidance on how to build up a master file in a pharmacovigilance system. We invited Mr. Anand Attal, Team Manager Labcorp Drug Development Ltd. Pune, to speak on November 3rd, 2021. He shared detailed information and advised on fresher trainings for non-pharmacovigilance staff, as well as training record maintenance. Dr. Satish A. Polshettiwar, Associate Professor and Head Career Services School of Pharmacy MIT World Peace University Pune, was invited to lecture on November 6th, 2021. He gave detailed information and guidance on interview questions, mock interviews, and pharmacovigilance career opportunities.

We arranged an online MCQ test linked to the session conducted by all of our respectable speakers during the valedictory event. At the end of the session distributed the certificates to all participants and the participants completed a Feedback Form, and we received extremely positive feedback and great reviews from them.

Mr. Deepak Rathi

Date: 06/10/2018

Program Summary

TPEDC (Training Placement and Entrepreneurship Development Cell) of Rajarshi Shahu College of Pharmacy, Buldana had organized a guest lecture on Pharma Entrepreneurship in Domestic and International Market for the students of B. Pharmacy Final year, Diploma Second year in Seminar Hall, on 06 October 2018. The Speaker for the lecture was Mr. Deepak Rathi, who is an owner of Care and Cure Laboratories, Director of Orgherb Pvt. Ltd. Pune, MD at Sunvero foods Pvt. Ltd. Mumbai. Having specialized in Domestic & International Pharma Market over the past 13 years. Dr. S. P. Jain, Principal, RSCP Buldana felicitated Mr. Deepak Rathi for the Guest Lecture. Mr. Madhav Chakolkar Assistant Professor, Dept Pharmacognosy introduced the speaker and Mr. Shadan Ahmed has introduced the topic of the lecture to the students. In his lecture Mr. Deepak Rathi discussed the current scenario about pharma market in at domestic as well as international level. He has also introduced the growth of Indian pharmaceutical industry, i.e. market size of \$27.57 billion (2016) is expected to reach a mark of \$55 billion by 2020. In the next three years, India is projected to be among the top three pharmaceutical markets in terms of growth rate and the sixth largest market globally in absolute size. He has also introduced and explained in details about generic and branded medicines. He has spread a light on concept of drop-shipping in India, as it is still gaining momentum and penetrating deeper into markets. It is popular with larger e-retailers who want to minimise investments in stocking up inventories. Apart from bigger players, several retailers are also using this model extensively. A drop-ship based business also offers greater flexibility and allows the seller to test new markets without having to worry about unsold inventories. He has concluded his lecture with the comment that “Currently the industry is growing at a rate of 9-10% year-on-year, which is a healthy growth because this is largely a volume led business. This is a fundamental advantage of an emerging market economy like India. At the end of the session Mr. Deepak Bhusari has expressed Vote of thanks to Resp. Principal Sir, Chief Guest and all participants, teaching staff and supporting staff of RSCP, Buldana.

REPORT

Rajarshi Shahu College of Pharmacy, Buldana NSS Unit has conducted the residential camp at Sakhli (Bk.)Village for 7 days from 5th Jan 2018 to 12thJan 2018.

We adopted this backward village with a mission to bring a change in the adverse social and economic conditions. we organizes various programmes in the course of 7 days.

During this camp, we conducted the following activities for the empowerment of the villagers:

Campsite and Village Visit:- We conducted a detailed survey of the village and interacted with the villagers so as to plan out activities for them.

Balwadi:- Balwadi is the heart of the village. The Balwadi children are the youth of tomorrow. They are the torch bearers. We had informative sessions such as Origami, Value Education, Basic hygiene, Puppet show, etc and entertainment in the form of cartoon screening, dancing, singing, etc. We also had the “Each one teach one” session wherein each volunteer adopted a child for that period & did his/her bit to teach them something that would be of use to them.

Mid-day Meal:- The volunteers had a great time cooking missal pav as treat to the balwadi kids. It was a learning experience for the volunteers and brought great joy amongst the kids too.

Drama for villagers:-We conducted a social awareness drama in Marathi, highlighting the importance of education of a girl child, illiteracy, addiction of the villagers which was applauded by the villagers. The response of the villagers was over whelming.

Medical camp:-We conducted a day long medical camp for blood group detection, blood sugar Check-up and Body Mass index(BMI). Due to extensive propagation in the village we got an overwhelming response wherein 100 villagers attended the medical camp.

Medicine awareness campaign:- We conducted a day of medicine awareness campaign in the village by distributing hand bills to villagers by our volunteers. our volunteers interact with the villagers and told the importance of proper utilization of medicine, to avoid medication errors, adverse effect & drug interaction.

Save Girl Child:-As suggested by the University of S.G.B.A.U. Amravati NSS cell, to organize various programs on the theme "Save Girl Child". Our NSS college unit has organized various programs to spread awareness. Following activities were conducted: NSS volunteers sent various quotations on the theme "Save Girl Child" though. NSS volunteers had put up the posters on the theme "Save Girl Child" in the rally to spread awareness. Volunteers of NSS created awareness in villagers through various street drama and rallies on topic like Education, Rain water harvesting, Drainage water management, health awareness & medicine awareness etc.

"Showing the way to achieve success, joy, happiness & fulfillment, the NSS unit 2017-2018 Says a good bye to this academic year with an assurance that our junior volunteers would continue the journey with the same conviction and achieve new heights having sky as limit."

Demonstration Report

Rajarshi Shahu College of Pharmacy, Buldana organized "Demonstration on Animal Handling, Brain Isolation & Intracardiac Perfusion" on 27 Dec 2021. The program was inaugurated by Respected Dr. Shirish Jain Sir, Principal RSCP, Buldana. At the beginning the Dr. S. Jain explained the scope and objectives of demonstration include techniques used for rodent brain isolation and its application in neuroscience along with importance of animal handling and intra-cardiac perfusion. The other objective of seminar includes training of participants regarding handling of experimental animals, various routes of drug administration, along with importance of drug screening method in preclinical pharmacology for research and education purpose.

The overall session was Co-ordinated and conducted by Dr. S.B. Kasture, Professor, Department of Pharmacology, RSCP, Buldana. He started his session from highlighting main objective of demonstration by providing the knowledge regarding basics of pharmacology to the participated PG students. Initially, he discussed the scope of neuropharmacology and shares their experiences with the students.

Additionally, Sir, also illustrate the methods for efficient animal handling in preclinical laboratories. He also shows how intra-cardiac perfusion in animals is employed in an ICH investigation. At the conclusion of the workshop, he also provided an explanation of the location and operation of various brain regions and their relevance in clinical conditions such as neurological disorders includes anxiety, depression, psychosis, and Alzheimer's like conditions etc. by performing brain isolation as well as providing skills and techniques to the students required for it.

At the end of the program vote of thanks was proposed by Mr. M. N. Devkar, Assistant professor, Department of Pharmacology, RSCP Buldana. Total 25 students along with 6 faculty member and 2 industrial experts were benefited from this workshop.

Notice-

Date-01/12/2021

All the student's of B-Pharm. IIIrd year are informed that, on dated 02/12/2021 we are going to conduct demonstration of following equipment-

1. Tablet Punching Machine.
2. Tablet Coating Machine.

Objective of Activity-This activity is supportive for enhancing student's practical knowledge and also clear theoretical concept.

Subject-Industrial pharmacy-I

Demonstration conduct by- Mr. S. D. Tayade

Laboratory Technician-Mr. P. K. Bhosale

Time-5.00 pm to 6.30 pm

Important Note-All the students should follow Covid-19 protocols

 1. Tablet Punching Machine.
 2. Tablet Coating Machine.
2. Demonstration conducted by-- 1.Mr.S.D.Tayade (Subject In charge)
 2. Laboratory Technician-Mr. P. K. Bhosale
3. Demonstration Date-----02/12/2021 (5.00 pm to 6.30 pm)

Demonstration of above equipments was carried out successfully and students get benefited with that. During this students observe that how the machine works and they recall the entire theoretical concept about those machines. Subject in charge gave details about the machine as well as explain the mechanism of instrument. Laboratory technician show all parts of instrument and informed students how these parts are clean and used in equipment.

44 students are present for this activity and get benefited. All the students and faculty members are strictly following the covid-19 protocols.

Program Summary

Rajarshi Shahu College of Pharmacy, Buldana has planned an activity of 'Collection of herbarium sheet' for the students of B.Pharma Final Year on 27/02/2019. A herbarium is a storehouse of plant specimens which are collected, dried, and mounted on handmade paper sheets and maintained carefully for current and future studies. Herbarium is a reference material for naming, identification and classification of the plants so; through this activity students know the detailed information of different medicinal plants like genus, species and biological source of plant. During the academic year of 2018- 2019 all the final year B. Pharm students prepare herbarium sheets, from this activity students know the importance and used of herbs. At the end of the academic year of 2018- 2019 co- Ordinator of this event Dr. S. M. Kewatkar collected the total 67 herbarium sheets from final year students and distribute the certificates to all participants. At the end of activity, we received extremely positive feedback and great reviews from all participants.

Innovation Ecosystem

The Institute focuses heavily on supporting innovation and creativity. We have established institution innovation council (IIC) as per the norms of Innovation cell, Ministry of HRD, Government of India during IIC calendar year 2018-19. Under IIC, the institute organized number of workshops and activities for students and staffs to explore and promote their innovative ideas.

The institute also promotes the faculties and students to work together and in collaboration to consolidate their ideas and bring out the prototypes and to file the patents for same. Institute also provides financial support to faculties and students under ARC policies for file a patent on innovative ideas which indirectly support start-up.

Institute is in the verge of establishing a dedicated incubation centre, but faculty members presently advise students on an individual basis to nourish their ideas for start-up. To foster mentor-mentee contacts for the development of an innovative ecosystem, we have included research activities as a key academic duty for local guardians. The planned incubation centre will make the best use of the available infrastructure and resources.

At present the available facilities are being utilized for extending training and instrumentation facilities. However, our team has envisaged an incubation centre with a vision "To establish effective a viable support system for scientific and entrepreneurial endeavours."

Our focus areas include:

- Nanotechnology based formulations
- Formulation of phytopharmaceuticals and nutraceuticals
- Preclinical evaluation of Drug or Herbals for different pharmacological activities
- *In silico* screening and custom synthesis of novel chemical entities
- Drug and food testing

REPORT

Rajarshi Shahu College of Pharmacy, Buldana NSS Unit has conducted the residential camp at Sakhli (Bk.)Village for 7 days from 5th Jan 2018 to 12thJan 2018.

We adopted this backward village with a mission to bring a change in the adverse social and economic conditions. we organizes various programmes in the course of 7 days.

During this camp, we conducted the following activities for the empowerment of the villagers:

Campsite and Village Visit:- We conducted a detailed survey of the village and interacted with the villagers so as to plan out activities for them.

Balwadi:- Balwadi is the heart of the village. The Balwadi children are the youth of tomorrow. They are the torch bearers. We had informative sessions such as Origami, Value Education, Basic hygiene, Puppet show, etc and entertainment in the form of cartoon screening, dancing, singing, etc. We also had the “Each one teach one” session wherein each volunteer adopted a child for that period & did his/her bit to teach them something that would be of use to them.

Mid-day Meal:- The volunteers had a great time cooking missal pav as treat to the balwadi kids. It was a learning experience for the volunteers and brought great joy amongst the kids too.

Drama for villagers:-We conducted a social awareness drama in Marathi, highlighting the importance of education of a girl child, illiteracy, addiction of the villagers which was applauded by the villagers. The response of the villagers was over whelming.

Medical camp:-We conducted a day long medical camp for blood group detection, blood sugar Check-up and Body Mass index(BMI). Due to extensive propagation in the village we got an overwhelming response wherein 100 villagers attended the medical camp.

Medicine awareness campaign:- We conducted a day of medicine awareness campaign in the village by distributing hand bills to villagers by our volunteers. our volunteers interact with the villagers and told the importance of proper utilization of medicine, to avoid medication errors, adverse effect & drug interaction.

Save Girl Child:-As suggested by the University of S.G.B.A.U. Amravati NSS cell, to organize various programs on the theme “Save Girl Child”. Our NSS college unit has organized various programs to spread awareness. Following activities were conducted: NSS volunteers sent various quotations on the theme “Save Girl Child” though. NSS volunteers had put up the posters on the theme “Save Girl Child” in the rally to spread awareness. Volunteers of NSS created awareness in villagers through various street drama and rallies on topic like Education, Rain water harvesting, Drainage water management, health awareness & medicine awareness etc.

“Showing the way to achieve success, joy, happiness & fulfillment, the NSS unit 2017-2018 Says a good bye to this academic year with an assurance that our junior volunteers would continue the journey with the same conviction and achieve new heights having sky as limit.”

RSCP/Esst./Cells-Portfolios/Revised/2021-22

Date: April 27, 2022

Office Order

All the faculty members are hereby informed to note down the revised allotment of major portfolios. There is little modification/update on responsibilities, kindly note minor updates/modifications only (highlighted in bold). All are directed to plan and execute their activities accordingly.

*Note: All the portfolio members have to prepare their nature of work (Aim, objective, cell constitution and policies etc.) and yearly plan to be performed. Communicate the same to the Principal through mail and submit its signed copy (Print) to the IQAC Dept. on and before 30th April, 2022 up to 5:00 PM (please ignore, if you already prepared and communicated).

Contact to IQAC Dept. to finalise the committee members for your relevant portfolio or to know the change in the committee members, if any (committee members will be finalised by Principal Sir).
