

6.3.3

Percentage of teaching and non-teaching staff participating in Faculty development Programmes (FDP), professional development /administrative training programs during the last five years

Preamble

- A faculty development program and other STTP Programs or workshop are a crucial component at Rajarshi Shahu College of Pharmacy for enhancing the professional growth of educators in higher education.
- Institute take extreme effort to provide faculty members with opportunities for ongoing development and learning, and to support them in their roles as teachers, scholars, and leaders.
- The goal of a faculty development program or STTP Programs or workshop is to improve the quality of teaching and learning, increase faculty engagement, promote innovation and creativity, and foster a culture of continuous improvement within the academic community.
- Through such programs, faculty members can acquire new knowledge and skills, share their experiences and best practices with their peers, and collaborate with others to achieve common goals. A successful faculty development program requires the commitment of the institution's leadership, the participation of faculty members, and the availability of resources and support.
- The institute committed to academic excellence and recognize the importance of investing in the professional development on faculty members
- Basic Aim of institute is to provide opportunities to enhance teaching methodologies, research skills, and leadership abilities.

A request to depute Dr. Gaurav Haralalka as a resource person in Precision Medicine

From: Chandragouda Patil (xplore.remedies@gmail.com)
To: principalrscp@gmail.com
Cc: gauravh12@yahoo.co.in
Date: Monday, 25 January 2021, 15:16 GMT+5:30

Dear Sir

This is Dr. C. R. Patil, Professor of Pharmacology from Delhi Pharmaceutical Sciences and Research University (DPSRU), South Delhi.

I take privilege to share with you that DPSRU is planning to establish a centre for Precision medicine. Ours will be the first Pharmacy Institute to establish such a centre. Under the aegis of this Precision medicine centre, we are planning to provide training to the budding biotechnologists regarding the frontier research activities in the field of pharmacogenomics and pharmacogenetics.

We are looking for guidance from experts in the field of genetics. As you are aware, Dr. Gaurav Harlalka is well trained and has a decade long experience in this field.

Through this email, I am requesting your kind self to please depute Dr. Haralalka to share his experience with our staff and students at DPSRU. Please permit him to visit us on 27th and 28th January for this purpose.

Through his visit, we are also exploring the possibility of initiating long term collaboration with your organization.

Requesting your kind help and cooperation in this regard

With warm regards and thanks in anticipation
