Percentage of teaching and non-teaching staff participating in Faculty development Programmes (FDP), professional development /administrative training programs during the last five years

Preamble

- A faculty development program and other STTP Programs or workshop are a crucial component at Rajarshi Shahu College of Pharmacy for enhancing the professional growth of educators in higher education.
- Institute take extreme effort to provide faculty members with opportunities for ongoing development and learning, and to support them in their roles as teachers, scholars, and leaders.
- The goal of a faculty development program or STTP Programs or workshop is to improve the quality of teaching and learning, increase faculty engagement, promote innovation and creativity, and foster a culture of continuous improvement within the academic community.
- Through such programs, faculty members can acquire new knowledge and skills, share their experiences and best practices with their peers, and collaborate with others to achieve common goals. A successful faculty development program requires the commitment of the institution's leadership, the participation of faculty members, and the availability of resources and support.
- The institute committed to academic excellence and recognize the importance of investing in the professional development on faculty members
- Basic Aim of institute is to provide opportunities to enhance teaching methodologies, research skills, and leadership abilities.
