Actions Taken

90.70 % positive response obtained here. Still we running following practices to strengthen the curriculum.
1. Senior faculty in their departmental meetings providing basic knowledge and course objectives to the new faculty.
2. Every year from library, we asking to subject in-charge for requirement of any text and reference books which is newly published and not available in the library.
3. Already experiments mentioned in syllabus are based on theory topics and accordingly teachers conducting the experiments.
4. During the practical, students in group of 3-5, completing understand the principal and procedure and teacher giving them task on different but relevant model/compound or dosage form or on unknown compound, there by students thinks critically and apply their knowledge.
5. Generally the time period given by university gives sufficient number of hours to complete the syllabus. some time due to some reason if syllabus not completed, we reschedule the time table or extra classes, depending on demands from teacher and students.
6. Off course in this curriculum, there is higher education which need lifelong learning.
7. Management provides facility to conduct the curriculum smartly. Even for coming academic years they approved for purchasing smart board for classroom.
8. PCI gives very appropriate weightage to theory and practical.
9. Every teacher discussed the significance of CO's, PO's and PEO's with the students, so they respond in good manner.
