Presidents Message

Shri. Dhrupatraoji Sawale
President
Ex. MLA

I am happy to give my message through this report about various aspects of Rajarshi Shahu College of Pharmacy, it will surely bring you the up to date information about History, Missions, Objectives, Administrative Structurer, Academic activities, Student activities, rules and regulations and other facilities of the college. It gives me profound of satisfaction to see that I succeeded in seeing the students of Buldana in Pharmacy Course in their town. Hence, I personally derive immense of pleasure in having been afforded a great opportunity to serve the cause of Pharmacy education in this town through the establishment of society, Dwarka Bahu Uddeshiya Gramin Vikas foundation's Rajarshi Shahu College of Pharmacy.

The college aims at preparing the students a pharmacists and making them average of the right and duties stipulated on moral issues based an ethics and values. I am sure that most parents will have major attraction towards us to have such a specialized institution to educate their word in it. This will also enable them to grow in a secure and caring environment and adopt a meaningful service to mankind.

I on my part endeavours to see the college become a high seat of specialized learning centre in pharmaceutical education and practice equipped with latest facilities, including highly experienced and qualified a faculty. I wish the students of this college all success.

Principal message

Dr. Shirish P. Jain

(M.Pharm, PhD)

Principal

It gives me immense pleasure to extend a warm welcome to you to Rajarshi Shahu College of Pharmacy. I hope this report serves as a useful source of information for Prospective students, health care professional, alumnus, friends and the general public. This will aware you about curriculum of the course, our faculty, and to events happening with in our college. Over a span of eight years this pioneer institution in private pharmacy institutions has grown to symbolize all that is best in our profession. According to me, Excellence requires not only an unrelenting commitment to provide and work in the best professional environment but also a commitment to set in place a system that is updated and adapted to the changing demands of this ever-evolving profession.

We constantly update and review our facilities till a date to keep them at par with the highest standards of the profession. We also have an on-going co-curricular program including a college magazine, literary society and social welfare society. Students are not only exposed to pharmacy academics but also actively participate in community-based activities including patient counseling and various people awareness activities from Buldana region. We strive to be the best.

It would be too clichéd to welcome you to our institute but nonetheless welcome to centre of Excellence.

Internal Quality Assurance Cell (IQAC)

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, institutions need to channelize its efforts and measures towards promoting the holistic academic excellence including the peer committee recommendations.

Start-Up and Innovation Cell

About

Entrepreneurship and Start-up Policies play a vital role in the economic and social development of a nation. In fast developing economics like India, these policies are critical and very important for innovators, entrepreneurs and startups in overcoming barriers while trying to market their innovation and growth of startups from scratch to scale. Higher Educational institutes in general and technical institutes in particular, play an imperative role in shaping the startup movement for a country like India where the large section of young talents is in the academics.

The journey began on 16th November 2016, when AICTE launched the first version of policy in the hands of the then Hon'ble President of India Shri. Pranab Mukherjee.

Objectives:

- ✚ To delineates pre-incubation and incubation support system in campus
- ✚ Provide incentives for faculty and students involved in innovation and startup
- ✚ To suggest mechanisms in the areas of IP ownership, revenue sharing, equity sharing between institutes and incubated start-ups
- ✚ To excel academic and research excellence of students for better career

All faculty of RSCP also used the digital platform effectively and conduct the test, assignment on vmedulife software during the pandemic of covid-19. RSCP students given excellent performance in GPAT examination and also conducted research activity of small project for the research based competition such as "INNOSPIRE 2020". For close monitoring of academic activities "Mentor-Mentee" system started and effectively implemented during academic year 2019-20.

University interactions process

1. University circulars/notifications/directions are received by email/by post or also published on university website.
2. As per instructions / directions issued by university we implement it in the college.
1. We notify to our students regarding various notices like submission of enrollment forms/ exam. forms/ fees, etc. as per given schedule through display on notice boards/ by drafting the message on college social media groups, or by verbal communication in the classroom or by telephonic conversation or emails, etc. as per requirement.
3. We collect all required forms/fees/data from students and submit to the university through our representative or some information by emails as per requirement of university.
4. The results/marklists distributed to the students individually through office representative.
5. The complaints/grievances regarding examination of the students are collected by exam. department or office and get solved either at the institute level (if within institute capacity) or submitted to the university.

Dissemination of information amongst students

2. Any information related to students is disseminated through display on college notice board or by drafting the message on college social media groups or by verbal communication in the classroom or by telephonic conversation or emails, etc. as per requirement.

Sr. No.	Year	Name of student	Thesis Title	Name of Guide
1	2018-19	Miss. Amruta Khande	A Novel Approach: Formulation and Evaluation of Film Based Drug Delivery System of Traditional Herbal Drug	Dr. Deepak Khobragade
2	2018-19	Mr. Akash Sanap	Development & Validation of Stability Indicating RP-HPLC Method for Estimation of Drug in Pharmaceutical Dosage Form	Prof. Satish Shelke

2. Educational Tours (2018-2019)

Sr. No.	Date	Venue	Supervisor/s
1	21 st -23 rd Dec. 2018	70 th Indian Pharmaceutical Congress, Amity University, New Delhi	Prof. Fahim Memon

Students and faculty members attended various seminars of eminent personalities from pharmaceutical industries and academia. They have visited stalls of pharmaceutical industries and tried to study recent advances in the field. Mr. Pranav Ganorkar and Miss. Pooja Kochar presented posters in this event.

2019-20

Guest lecture's (2019-20)

Sr. No.	Date	Name of Guest lecturer	Designation	Title of Talk
1	4/9/2019	Mr. Amol Kenkar	Sr. Research Scientist, Amneal Pharma and CDC Member RSCP	Post-graduation and career opportunities
2	19/9/2019	Mr. Sanjay Upadhay	Sales Manager, Petronas	Soft Skills
3	15/2/2019	Mrs. Swati Kenkar	Sr. Executive DRA, Alidac Pharma	Regulatory audits

In this academic year we have invited three resource persons to have interaction with our PG students. Mr. Amol Kenkar importance of post-graduation and career opportunities after post-graduation. He guided students about how to prepare for industrial career. Mr. Sanjay Upadhay discussed role of soft skills along with technical knowledge. Mrs. Swati Kenkar explained the importance and process of regulatory audits. She guided students about regulatory requirements and how to face audits.

Workshops (2019-20)

Sr. No.	Date	Title of Workshop	Conducting authority or agency
1	12 th to 14 th March 2020	Connect with Work	Rubicon

We have conducted three day's workshop for students in association with Rubicon, Pune. "Connect with Work" has conducted on 12th to 14th March 2020. Objective of this program was to enhance their Life skills which would help them significantly to increase their chance of succeeding in a job interview. This training covered areas like Organizational Structure, Public Speaking, Presentation Skills, E-mail Etiquette, Grooming, Group Discussion, Personal Interview. Both the trainers were highly energetic and interacted with students in highly effective manner. Students expressed immense satisfaction and gratitude to institute for organizing this program.

Industrial visits (2019-20)

Sr. No.	Date	Name of Industry/ Research Lab	Supervisor
1	7/2/2020	Institute of Chemical Technology, Mumbai	Dr. VikasTelvekar
2	7/2/2020	Merck Life Sciences, Mumbai	Dr. Hemgir Gosawi

-
- We have organized one day visit to Institute of Chemical Technology and Merck Research Center Mumbai on 7th Feb. 2020. Main purpose behind the visit was to create awareness among students about current research scenario in pharma industries. In first half of the day we visited various departments of ICT Mumbai including department of Biotechnology, Department of Chemistry, Department of Dyestuff Technology, Department of Pharmacy and Pharmaceutical Technology. Dr.Vandana Patravale madam guided the students regarding various ongoing research projects at ICT Mumbai and demonstrated handling of various instrument present in Nontechnology lab.During the visit to Pharmaceutical Chemistry department Dr. VikasTelvekar directed the group of students about recent development in pharmaceutical chemistry, research project going in P'ceutical chemistry department and various instruments used in synthesis and analysis.
- In second half we visited Merck Research Center where Principal Scientist Dr. HemgirGosavi Sir gave brief introduction about Merck Co limited, past, present and future prospectus. He also elaborated the pilot scale research and advances in formulation development technique. Dr.SuruchiVishwasraodemonstrated the different formulation technique including hot melt method, co-solvent methods and Extrusion technique.

National Service Scheme

Commitment towards Society

The NSS unit of Rajarshi Shahu College of Pharmacy, Buldana committed with the concept of National Service to build sense of social responsibility through teacher and students involvement in constructive service with the motto of “Not Me But You”. NSS volunteers work in rural areas, adopted villages to the serving the cause of society through survey, education and health awareness programme. This involves in identifying the importance, aims and objectives of NSS in higher education which in turn create social responsibility among the students.

As per the fundamental principles of National Service Scheme, a volunteer is expected to remain in constant touch with the community. Hence, it is of vital importance that a particular village/slum is selected for implementation of NSS programmes. As the NSS volunteer is to live with the members of the community during the 7 days Special Camping programme and learn from their experience during his/her tenure in NSS, the village/slum should be carefully selected for adoption by NSS unit.

Commitment towards Environment

The NSS unit of Rajarshi Shahu College of Pharmacy, Buldana committed with conservation of environment. The environmental degradation that has occurred is marked by a large extraction of natural sources, Loss of forests, extinction of animal and plant species, depletion of the ozone layer, air, water and soil pollution, loss of marine life, and bio-diversity and so on. These have posed serious threat to the very survival of life on earth. Protecting the natural environment for the benefit of humans is the need of the hour. Environmental protection has gained momentum in recent times

The role of NSS in protection and conservation of environment by organize activities of environment enrichment and conservation, such as plantation of trees, construction of sanitary latrines, cleaning of village ponds and wells, use of non-conventional energy, environmental sanitation, and disposal of garbage & composting, watershed management and wasteland development. NSS has provided a platform for the students to support the best environmental practices. Involvement of student volunteers in environmental activities through NSS can contribute to the overall development of positive qualities in young people and develops among them a sense of social and civic responsibility.

Brief report

InnoSpire 2019: An Innovative Idea Competition for Rising Innovators was conducted on 3rd March 2019.

Main objective of InnoSpire is to provide a platform to students to discuss their ideas with industrial experts. This event was co-sponsored by six reputed pharmaceutical industries. Total 549 participants from around 30 pharmaceutical institutes participated in this mega event whereas 186 posters were presented. Eleven industrial experts rendered their services to judge the posters.

InnoSpire-2020: Pharma Industries co-sponsored Innovative Idea Competition for Rising Innovators is conducted on 23rd February 2020. This mega event was co-sponsored by major pharmaceutical industries. Total 390 participants from around 20 pharmaceutical institutes participated in this mega event whereas 119 posters were presented. Twelve industrial experts rendered their services to judge the posters.

Two major components of event were discussion of innovative ideas with the help of posters and interactive session with eminent personalities from reputed pharmaceutical industries. Participants from various universities presented their ideas. An interactive session was key attraction of InnoSpire-2020. The students raised their queries and positively addressed by industrial experts.

Induction program: An Induction program was conducted to make newly admitted FY students familiar with academics and scope of pharmacy. In 2018, it was conducted in-house where respected Principal Sir, Academic I/C, Exam. I/C and senior faculty members guided students. In 2019, Induction Program is conducted for three days from 22nd to 24th August 2019. Highly experienced and eminent pharmaceutical industrial experts as well as academicians were invited to guide students. One Day Two parents were invited to have interaction with experts and teachers.

आला. यानिमित्त राजर्षी शाहू कॉलेज
ऑफ फार्मसीचे प्राचार्य प्रा. डॉ. शिरीश
जैन यांच्यासह टीमने अन्नदान केले.
यावेळी विद्यार्थ्यांसोबत स्नेहभोजन
करण्यात आले. येथील मुलांचे
कलागुण आणि शिस्त पाहून भारावून

गेलो, असे उद्गार प्राचार्य
एस.पी. जैन यांनी यावेळी काढले.

धृपदराव सावळे यांची
जनमाणसाशी नाळ जुळलेली आहे.
या लोकनेत्याचा वाढदिवस सामाजिक
