'Collection of herbarium sheet'

Date: 27/03/2019

Program Summary

Rajarshi Shahu College of Pharmacy, Buldana has planned an activity of 'Collection of herbarium sheet' for the students of B.Pharma Final Year on 27/02/2019. A herbarium is a storehouse of plant specimens which are collected, dried, and mounted on handmade paper sheets and maintained carefully for current and future studies. Herbarium is a reference material for naming, identification and classification of the plants so; through this activity students know the detailed information of different medicinal plants like genus, species and biological source of plant. During the academic year of 2018- 2019 all the final year B. Pharm students prepare herbarium sheets, from this activity students know the importance and used of herbs. At the end of the academic year of 2018- 2019 co- Ordinator of this event Dr. S. M. Kewatkar collected the total 67 herbarium sheets from final year students and distribute the certificates to all participants. At the end of activity, we received extremely positive feedback and great reviews from all participants.
