Founder's Message

Shri. Dhrupadraoji Sawale

**President, DBGVF, Buldana and
Ex-MLA, Maharashtra State**

We appreciate your interest in the Rajarshi Shahu College of Pharmacy (RSCP) at Dwarka Bahuddeshiya Gramin Vikas Foundation (DBGVF). Global recognition and contributions to national development are at the core of RSCP's vision and mission. The DBGVF offers diploma, undergraduate, postgraduate and doctoral courses. I am certain that you will discover a course that both satisfies your needs and aids your future career goals.

Your selected disciplines will be well-versed in RSCP. In addition to providing you with the most comprehensive theoretical education available, our courses help you get practical experience via hands-on training and tutorials.

At RSCP, we support the comprehensive and all-encompassing growth of young minds. I have no doubt that your stay here will be worthwhile.

I am convinced that you will be a vital member of the RSCP community of emerging stars. We are excited to have you join the RSCP team.

Principal's Message

Dr. Shirish Jain
Principal
(M.Pharm, Ph.D.)

Welcome to RSCP, an institute whose major emphasis is assisting students in realizing their goals and ambitions. Our great leader, Hon. President, Shri. Dhurpatraoji Sawale Saheb has always wished to see every student in rural community educated with the resources and skills they need to become contributors to the betterment of our country.

The institution provides a broad array of undergraduate, postgraduate and Ph.D. degrees. I have faith that you will be able to discover a programme here that will fulfill your needs and help you become ready for the future. Excellence, in my opinion, requires not only an unwavering dedication to providing and working in the greatest professional environment, but also a dedication to establishing a system that is regularly updated and altered to meet the developing needs of this dynamic field. To ensure that our infrastructure always meets or exceeds industry benchmarks, we conduct regular reviews and schedule regular updates. We also have an on-going co-curricular and extra-curricular programme comprising a college magazine, literary society and social welfare organization. Students are not only exposed to pharmacy academics but also actively engage in community-based activities like patient counseling and different people awareness initiatives from Buldana area. Our curriculum framework is comprehensive in its general structure and yet focused on the specific desire of the learner to discover experience, explore and challenge. RSCP aspires to become a world-renowned organization that helps build nations by cultivating highly skilled professionals. Besides delivering you an unrivalled academic education, our programme also aid you in getting hands-on learning experience via practical training and tutorials. I have no doubt that you will be an asset to the RSCP's group of promising young professionals. Our programme provides exceptional chances for students to interact directly with faculty members who have been recruited from the world's leading educational institutions. This improves the quality of instruction and the likelihood of receiving driven decision-making. Our faculty and advisory board are made up of devoted academics and professionals in the field, who work together to make our classrooms fun and inviting places to study. Our educational philosophy is grounded on achieving measurable outcomes. At RSCP, we believe in the comprehensive and inclusive development of young minds. I am confident that you will cherish the time that you spend on our campus. It will be grateful to welcome you to the centre of Excellence and be a part of our RSCP family! Have a great time ahead! Thank you!
