Dussehra or Vijayadashami is one of the important and auspicious festival celebrated by Hindus across the country as well as around the world. It marks the end of Navratri and the beginning of the preparations for Diwali. As we all know, the festival is celebrated to mark the victory of good over evil. Hindus believe that the weapons of Goddess Durga were worshipped by gods after she defeated the demon Mahishasura. Additionally, some also believe that Pandavas also worshipped the weapons before heading on for the Kurukshetra war of Mahabharata. While it is believed that the festival marks the importance of non-violence, people still worship weapons as per their traditions. We also celebrated this day at our institute and paid tribute to all the machines, instruments, and equipment's.

A similar importance came to the Jadhav family in Buldhana. One of them was in desperate need of blood. NSS volunteers of RSCP namely Suyog Shelke, Abhishek Aadhav, Prathamesh Dabavgaon and Aditya Kakad (B. Pharmacy third year) donated blood for them and helped to save the person's life. Principal Dr. Shirish Jain appreciated this great act of our students. Looking at the deficit of blood in the hospital we decided to arrange a blood donation camp in the premises of the institute. This camp was maned and co-ordinated by our NSS team. Dr. Prakash Kendre, Dr. Vijay Borkar, Dr. Shailesh Kewatkar, Dr. Subhash Deshmane and Prof. Somnath Vibhute were present during the event. Volunteer students have donated blood during the camp. A testimony was given to everyone to participate in this blood donation camp on behalf of the government's blood line. All NSS volunteers worked hard under the guidance of Satish Shelke and Prof. Snehal Deshmane.

09 November: Celebration of Diwali with RSCP Family

Diwali is the Hindu festival of lights, with variations celebrated in other Indian religions. It symbolises the spiritual "victory of light over darkness, good over evil, and knowledge over ignorance". It is the festival of lights, festival of happiness, and the festival of joy. It is our culture and tradition to celebrate all the festivals together. Every year we celebrate it together and wish each other. RSCP has offered a special gift to all the faculty members, office staff, and allied workers. This was like a cherry on the cake for all of us. We all the members of RSCP family are thankful to the hon'ble management and Principal. As our principal says, "We are a family and we will be a family forever." On behalf of the management and principal Dr. S P Jain wish a very happy and prosperous Diwali to all the staff members, non-teaching and supporting staff.
