Message from Hon'ble Chairman

Hon'ble Chairman,
Shri. Dhrupatraoji Sawle

I'm happy to hear that the e-bulletin from RSCP Buldhana is being published on quarterly basis. This will serve as a resource for students, faculty, and parents, providing them with the latest information on developments in the college. Our goal is to incorporate the idea that education and industry must work together by industry institute interaction, with the understanding that student's performance must remain consistent and dynamic at the highest levels. The institution has taken the best practices of education and combined them to inculcate the skills needed to become successful in the competitive world. I would like to congratulate the entire RSCP team for this initiative, in ensuring the over-all development of the

Message from Principal

Dr. Shirish Jain

It is a privilege to introduce you the 8th issue of our college e-bulletin (May-August, 2024). The purpose of this bulletin is to provide information and focus attention to recent developments and innovations in the field of pharmacy. We are moving forward with the goal of creating pharmacy professionals that are upbeat, devoted, bright, and ethical to meet society's healthcare demands. I have faith that we are making an honest attempt to deliver first-rate teaching to our students. We are also dedicated to help the students and grow them intellectually, emotionally, and socially. In this e-bulletin, we acknowledge the achievements of our teachers and students. Congratulations to the entire faculty, students, and support staff for making the past four months so productive.

Message from Vice-Principal

Dr. Prakash Kendre

We are delighted to make available the 9th issue of the e-bulletin of the year 2024. I'm happy to share my thoughts on the publication of college e-bulletin. You may learn about the major achievements that college has made this last four month as you go through the pages. I am pleased with the advancements the college has made in developing in its students, a value-based education combined with current teaching-learning techniques. We are involving students in both academic and extracurricular activities. These activities are beneficial for both professional and personal growth. I congratulate each and every student and member of the faculty on their great achievements and

13th December: Workshop on the topic “Design Thinking, Critical Thinking, and Innovation Design”

Rajarshi Shahu College of Pharmacy, Buldana’s Institution Innovation Council (IIC) organized a workshop on the topic “Design Thinking, Critical Thinking, and Innovation Design” for M. Pharm Second Year students. The program was coordinated by Mr. Sachin P. Borikar, Assistant Professor from the Department of Pharmacology, who warmly welcomed the guest speaker, Dr. Manohar Nandanwar, by presenting a bouquet. Dr. Nandanwar is currently working as Vice President of Toxicology at Wockhardt Research Center, Chhatrapati Sambhajnagar.

Dr. Nandanwar began his session by highlighting the core principles and objectives of design thinking, emphasizing the key lenses of desirability, feasibility, and viability. He explained that these principles are instrumental in equipping students with the foundational understanding necessary for pursuing innovation and research. Using relatable examples such as the evolution and upgradation of smartphones, Dr. Nandanwar illustrated how innovation drives technological advancement. He also explored the essential aspects of research articles and drug discovery processes, offering valuable insights drawn from his extensive experience in the field. Furthermore, Dr. Nandanwar provided an in-depth explanation of the various stages of the design thinking process, offering practical guidance on their application in real-world scenarios. He also discussed the concepts of critical and innovative thinking, shedding light on their significance in fostering creativity and problem-solving skills. The session underscored how these approaches can be effectively integrated to enhance research outcomes and business strategies.

The workshop concluded with an engaging Question and answer session, where students actively participated, seeking clarity and gaining deeper insights into the discussed topics. The interaction further enriched their understanding and provided them with actionable knowledge to apply in their academic and professional pursuits. At the end of the program, Ms. Kashmira Malusare, Assistant Professor, expressed gratitude by delivering a vote of thanks, acknowledging the contributions of Dr. Manohar Nandanwar for sharing their expertise and making the workshop a valuable learning experience.
