Concluding Remark of Editorial Team

We are very proud and happy while drafting the achievements of our students and our team members. As our Principal sir always says, these faculty members are our partners and everyone is owner of the institute; this gives motivation and energy to all of us to work positively and work hard. This magazine is a reflection of the success stories of the faculty and students. It highlights all the major curricular and co-curricular activities of the last quarter (January-April). We are very happy to publish this e-bulletin of the first quarter, and we are eagerly waiting to publish the next bulletin for the second quarter of the 2022. We express our gratitude towards all the members of the e-bulletin, faculty of RSCP, respected Principal sir, and Hon'ble Management for their support in making this magazine.

Thank you.
