01 MAY, 2022: Maharashtra Divas & Labour Day

Today on this day in 1960 Maharashtra has been recognized as a state. The Samyukta Maharashtra movement was not an ordinary movement. It was fought extraordinarily for a period of almost 5 years. The impact of the movement was so tremendous that the ruling party and the political leaders were exposed. The movement involved common man with the huge participation by women. 106 people sacrificed their lives for the sake of a state, today we called, Maharashtra. It is the moment to remember all those “HUTATMA” because of whom we are a state of India.

We have celebrated the Maharashtra divas at our campus. Flag hoisting was conducted at the hand of Smt. Padmatai Sawale, hon'ble secretary of Dwarka Bahuuddeshiya Gramin Vikas foundation.

21 JUNE, 2022: International Yoga Day

PM Modi, during his speech at the UNGA, said, "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well-being. Let us work towards adopting an International Yoga Day."

26 JUNE, 2022: Birth Anniversary of Chatrapati Shahu Maharaj

Today is the day to remember our role model on his birth anniversary. Rajarshi Shahu College of Pharmacy today celebrated the birth anniversary of Chhatrapati Shahu Maharaj. Chhatrapati Shahu Maharaj occupied the throne of Kolhapur for 28 years, from 1894 to 1922; during this period, he initiated numerous social reforms in his empire. He is credited with doing much to improve conditions for the lower castes. He also ensured suitable employment for students thus educated, thereby creating one of the earliest affirmative actions (50% reservation to weaker sections) programs in history. His emphasis was on education, his aim being to make learning available to the masses. He introduced a number of educational programs to promote education among his subjects. He established hostels for different ethnicities and religions. He established the Miss Clarke Boarding School for the socially quarantined segments of the community. Shahu introduced several scholarships for poor meritorious students from backward classes. He also initiated compulsory free primary education for all in his state. He established Vedic Schools which enabled students from all castes and classes to learn the scriptures, thus propagating Sanskrit education among all.

Today we celebrated his birth anniversary at our institute with the promise to ourselves that we will work for the society and follow him to serve the society.

Tribute to our Role Model, Chatrapati Shahu Maharaj

Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements. This Mahotsav is dedicated to the people of India who have not only been instrumental in bringing India thus far in its evolutionary journey but also hold within them the power and potential to enable Prime Minister Narendra Modi's vision of activating India 2.0, fuelled by the spirit of Aatmanirbhar Bharat.

Like the history of the freedom movement, the journey of 75 years after independence is a reflection of the hard work, innovation, enterprise of ordinary Indians. Whether in the country or abroad, we Indians have proved ourselves with our hard work. We are proud of our Constitution. We are proud of our democratic traditions. The mother of democracy, India is still moving forward by strengthening democracy. India, rich in knowledge and science, is leaving its mark from Mars to the moon. The Azadi Ka Amrit Mahotsav means elixir of energy of independence; elixir of inspirations of the warriors of freedom struggle; elixir of new ideas and pledges; and elixir of Aatmanirbharta. Therefore, this Mahotsav is a festival of awakening of the nation; festival of fulfilling the dream of good governance; and the festival of global peace and development.
